

BREAD & BUN BASKETS

An effective way to showcase your product, the stackable, durable Bread and Bun Baskets are extremely versatile. Available with casters, you can push them into your production area, fill them, and wheel them back into your storefront. An inexpensive, sensible and attractive alternative to permanent shelving, what's more is that they are also extremely sanitary due to their grilled design.

Standard sizes are 47"L x 10"W x 19 3/4"D for the large Basket, and 22"L x 10"W x 19 3/4"D for the smaller baskets.
